

## **Proposed Admissions Arrangements (Policy) – 2021/22**

Richmond Avenue Primary and Nursery School is an academy and is its own admissions authority. These arrangements are in line with government legislation and guidance (School Admissions Code 2014) and designed to ensure there is a fair, clear and reasonable admissions procedure for all applicants, and to help guide parents through the application process. These arrangements apply to all admissions, including in-year admissions.

**The Planned Admissions Number (PAN) at Richmond Avenue Primary and Nursery school is 60 pupils in each year group.**

**Our school Nursery PAN is 24 (full time equivalent) children.**

### **Applying for a place**

Richmond Avenue Primary School welcomes all applications. We have one main intake in September and we try to encourage entry at this time in order to support the child's academic progression without interruption, however, parents can apply at any time.

Parents are encouraged to visit the school with their child if they are planning to apply for a place and we have a number of open days for new Reception parents during the year.

Arrangements for visits outside of these dates can be made through the school office.

Nursery has three intakes per year. School are responsible for these admissions.

Children are admitted to the school using the criteria outlined in this document, regardless of their aptitude. Parents are invited to express a preference for the school out of those provided by the School Admissions Team, LA but it is up to the school to rank applications according to the admission criteria. Admission for the main round to Reception is run according to the published admissions scheme and a short version of this policy is available on the Council's web site, in the Primary Admission Booklet.

Applications for Reception and in-year admissions can be made online at

<http://www.southend.gov.uk/admissions>

### **Oversubscription**

If at the closing date for applications there are not enough places for all those who have expressed a wish to have their child admitted to the school, places will be allocated using the admission criteria as below. This will not apply to children with a statement of special educational needs (SEN) or Education, Health and Care (EHC) plans as the plan/statement names the school and therefore the child must be admitted to the named school. The admission criteria are listed below with explanatory notes following:

- a) Looked after children and those with the child arrangements order;
  - b) Children who live in the catchment area who have a sibling attending the school
  - c) Children who live in the catchment area;
  - d) Children who live outside the catchment area who have a sibling attending the school
  - e) Children who live outside the catchment area.
- (for all criteria, catchment area map and additional information please see explanatory notes and catchment map below)

**Explanatory and additional notes:**

Parents must make a separate application for transfer from nursery to infant/primary school. Parents must complete a Southend-on-Sea Common Application Form (CAF) for applications to year Reception between 14<sup>th</sup> September and 15<sup>th</sup> January.

**Pupils in public care and children that were previously in public care**

Any reference to looked after children refers to children who are in the care of local authorities as defined by Section 22 of the Children Act 1989. In relation to school admissions legislation a 'looked after child' is a child in public care at the time of application to the school'. Any reference to previously looked after children means children who were adopted (or subject to residence or special guardianship orders) immediately following having been looked after. Looked after and previously looked after children are given the highest priority for each relevant age group and in all ranking.

**Measuring tool:**

In the case of over subscription in any one category "straight line" distance will be used to measure the distance between the pupil's home (including flats) and the nearest pupil entrance to the school. Distances will be measured using the Local Authority's computerised measuring system. The pupils living closest will be given priority.

**Tie-Break**

To be used to decide between two applications that cannot otherwise be separated: If the same distance is shared by more than one pupil, and only one place is available, the place will be awarded on the basis of a computerised random allocation process (supervised by someone independent of the Council / governing body). In the case where the last child offered is a twin or sibling of a multiple birth sibling both/all children will be offered and the sibling will be an 'excepted pupil'.

**Distance where parents have separated**

The distance is measured the same for all applications. Only one application can be received. The LA should not have the details of both parents or know of the marital status of the parents. If more than one application is received from parents, applications will be placed on hold until such time that:

- an application is made that both parents agree to; or
- written agreement is provided from both parents; or
- a court order is obtained confirming which parent's application takes precedence'.

If the child lives at more than one address, it is the address where the child lives for the majority of the school week that will apply. Further details on address checks and which address is relevant are also provided in the admission booklet on the council website.

**Siblings:**

Siblings are considered to be an older brother or sister, half-brother or half-sister, step-brother or step-sister, adopted brother or sister, living at the same address, who attends the school at the time of application with a reasonable expectation that he or she will still be attending at the time of the proposed admission. In every case, the child should be living in the same family unit at the same address. In the exceptional situation where one twin or one or two triplets are refused a place, in order to keep family members together the additional pupil(s) will be admitted even if this results in the admission limit for the year group being exceeded (See 2.15g of the school admission code).

## **Children with a statement of Special Educational Needs (SEN) or Education, Health and Care Plan (EHCP)**

The school will admit all children who have a SEN statement or EHCP where this school named.

Children who have Special Educational Needs but who do not have a SEN statement or EHCP will be treated equally to all other applicants in the admissions process. This includes children who may need extra support or reasonable adjustments to be made. The school will do everything it can to accommodate these pupils. See our SEN Local Offer for details of special provision provided by the school.

## **Waiting list**

Children's names will automatically be on the waiting list for the school if it is higher on the rank list and where they do not receive an offer (for Reception year). The Academy operates a waiting list for each year group and parents may request that their child is placed on the waiting list. The list will set out the priority for places in the same order set out in the oversubscription criteria; each added child will require the list to be ranked again in line with the published oversubscription criteria. The child may gain entry to the school if the number of pupils falls below the admissions limit of the school. If a child on the waiting list is offered a position at the school, they will be notified and will have the option of accepting or rejecting the place within 10 days. In limited situations it may be appropriate to admit to the start of the next term (as per the Education Act 2006) this will be to give the Academy the opportunity to put measures in place for the admission. This will only apply to children already in a school and not for any unplaced pupils.

## **Changes to admission arrangements**

The admission arrangements for the school may be changed by the admission authority in accordance with the requirements of the relevant legislation. Parents will be consulted on any changes at least 12 months prior to their implementation.

## **Address:**

For all applications the address used will be the child's habitual normal place of residence as at the closing date for applications, i.e., 15<sup>th</sup> January. Changes to address will be updated after all on time applications have been processed.

Parents must notify the School admissions team at Southend-on—Sea Borough Council immediately if there are any changes that may affect their child's application, such as a change of address for the main round to Reception. Where the child has multiple addresses, the address given to the school should be the one where the child spends the majority of the school week (see further details on address check in the Primary Admissions Booklet on [www.southend.gov.uk/admissions](http://www.southend.gov.uk/admissions)).

## **In-year admissions**

In-year admissions forms can be made online at <http://www.southend.gov.uk/admissions> .

## **Fair Access Protocol**

Richmond Avenue Primary and Nursery works with the LA in accordance with their in-year Fair Access Policy in order to ensure that pupils with additional needs or who may present challenges are not disproportionately admitted to one school or year group. Southend's Fair Access Protocol includes a number of categories which identify a child as being potentially vulnerable or likely to present a challenge to the school. These include (but are not restricted to) previous behaviour issues and poor attendance; details are available in the [Fair Access Protocol](#).

## **Appeals**

Parents or carers can appeal to the independent appeal panel against refusal of admission to the school. A child is allowed to be on the school waiting list while lodging an appeal and the appeal will not affect their position on the list. The decision of the appeals panel is binding on the admissions authority.

### **Over and Under age applications**

#### **To request admission out of normal age group in-year:**

Applicants must write to the Head Teacher with their request. The Head Teacher will advise accordingly and will ensure that a formal written outcome is provided.

Parents may seek a place for their child outside of their normal age group, (usually during the school year and not at the point of admission), for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. All other applications for over or under age in-year will be handled in line with the School Admissions Code 2014, 2.17 (a & b).

Such requests are made initially informally in discussions with the Head Teacher and where parents wish to proceed with the request a written letter with any relevant documentation should be provided to the Head Teacher. The School would make decisions on the basis of the circumstances of the individual case and will be in the best interests of the child.

Requests for in year 3 and 6 must have been submitted by the parent and considered by the admission authority before the closing date for applications to year 7, i.e. 31 October (secondary) and 15 January (primary) of any given year.

When informing a parent of their decision on the year group the child should be admitted to, the admission authority must set out clearly the reasons for their decision.

In circumstances where a child transfers from another school already 'outside of normal age group', the Academy will support any over or under age application where the above has been met and the Academy is satisfied that the child should continue to be educated out of normal age group.

A parent cannot appeal against refusal to the 'out of normal age group' application.

#### **To request admission out of normal age group during the transfer process of year 6 to 7:-**

Applicants must write to the local authority with their request. The local authority will share the details of the request with the school. Parents will be notified of the outcome before the allocation of places and must apply during the main round for the usual age group.

### **Admission of children below compulsory school age and deferred entry to school/**

Most children start school on a full time basis, however parents can request that their child attends part time until reaching compulsory school age (the term after their 5th birthday). Once parents receive an offer and accept a place for their child during the normal admission round they can ask to defer the admission until later in the same academic year. The school will aim where possible to accommodate these requests where it appears to be in the best interest of the child. Parents wishing their child to attend part time must discuss this with the headteacher of their allocated school. The approved deferral means that the place is held open and is not offered to another child and the parents must take up the place full time by the start of the Summer Term in April. Part-time agreements should include core teaching.

In the case of children born prematurely or the late summer months parents may request admission outside the normal age group. There is no statutory barrier to children being admitted outside their normal year group (DfE Guidance, Dec 2014). Due to the impact on future years for a child's schooling, requests to delay admission are very carefully considered by both the admitting authority and the parents. The decision to admit outside of a child's normal age group is made on the basis of the circumstances of each case. Any decision will seek a decision in the best interest for the child and be considered by the Head Teacher/SLT.

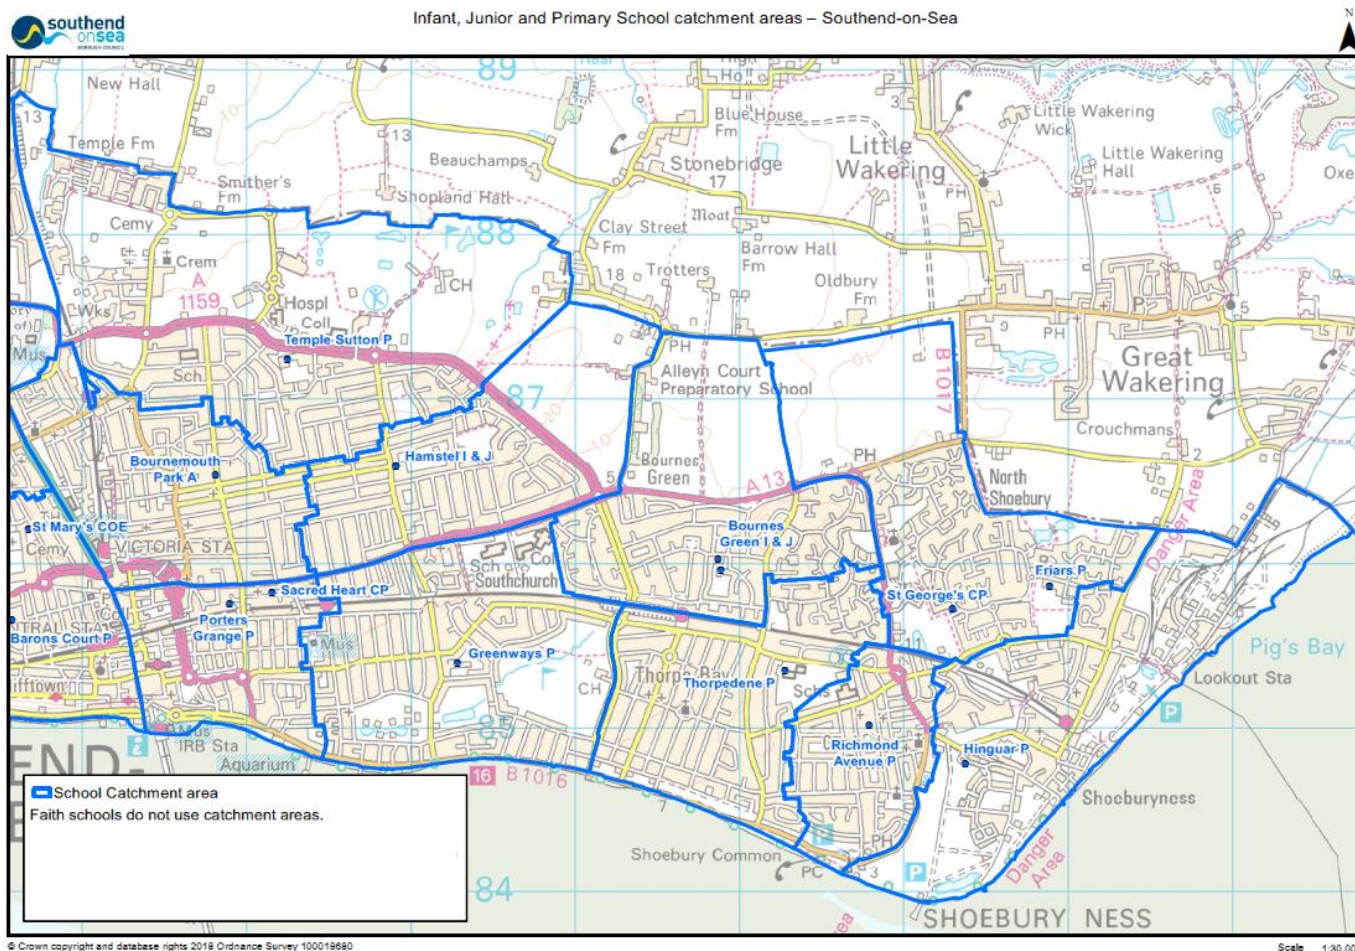

Parents submitting a request for admission outside the normal age group must also complete the Single Application Form during the main admission round, 14th September – 15th January for the 'usual age group for their child'.

**Catchment areas:**

A look up postcode list is available on [www.southend.gov.uk/admissions](http://www.southend.gov.uk/admissions) and a map is provided below:

**Appendix 1**

**School Catchment Area for Richmond Avenue Primary and Nursery School**
