

Greetings from Richmond Avenue

This weeks update are about

- 1) PE and PE expectations
- 2) Next weeks Fitness day
- 3) Growth Mindset

Please keep looking on the app for other information and news coming out from the school app

CONGRATULATIONS

Well done to all the children who received the first celebration assembly certificates of the year. It was lovely to see so many children have been working hard and learning new skills already in the new school year.

Congratulations to Yellow team for winning the first house point competition of the year. Nearly 3000 house points collected for Yellow team across the school in just the first 5 days!!!

Thank you and well done to all the children across the school who went Hare and Leverett hunting over the summer. We have really enjoyed seeing all the pictures of your adventures and finds.

After a bit of a rest, our leveret Hope, will be coming back to live with us at Richmond so all the children will get a chance to see her close up very soon.

Being ready for PE

It is really important for all children to take part in all PE lessons and active learning opportunities. We have PE lessons not just because of the National Curriculum but also because it is important that we all learn about healthy lifestyles, being active and why being active is important for our bodies and minds.

To be able to participate in PE lessons children need:

- Long hair tied up
- Earrings removed (not covered)
- Sensible, safe PE shoes
- A full PE kit

Please ensure that your children have all the above so that they can take part, learn and have fun!

National Fitness Day

As you are aware from a previous letter, next Wednesday we will be having a PE activity day across the school.

Please ensure your children come into school on Wednesday 22nd September in their school PE kit, including their house colour T-shirt as they will be doing activities in their teams throughout the morning.

We will be sending home all PE kits that are in school on Tuesday night to help facilitate this.

Growth Mindset

As a school, we are working hard to develop the attitude of Growth Mindset in all that we do. These are the key words and phrase we use in school.

Resilience

Confidence

I can't do it... yet!

I can always improve

I will keep trying

Mistakes help me learn

FAIL Means

Learning

WHEN YOU CHANGE YOUR WORDS, YOU CHANGE YOUR MINDSET

IF I SAY TO MYSELF...	...START THINKING INSTEAD
I'm not good at this!	➔ What am I missing here?
I'm awesome at this!	➔ I'm on the right track.
I give up.	➔ I just need to find the right strategy.
This is just too hard.	➔ It's just going to take some time & effort.
I can't make this any better.	➔ I can improve this, it's just going to take more effort.
I can't do Math.	➔ I just need to train my brain in Math.
I made a mistake.	➔ Mistakes are what help me to learn better for next time.
They seem so smart. I will never be that smart.	➔ I'm going to figure out exactly how they're doing this.
It's good enough.	➔ Is this really my best work?
