16TH OCTOBER 2020

Week Six

Another fantastic week at Richmond this week. The new pupil council reps across the school have been working hard with Mr Mattingly and classes in general have been superstars—because of that, we've had the highest ever weekly house point totals for all teams, with the winning team earning 977 House points in just one week!! Well done all of you :)
Miss Money Penny

PE After Half Term

After Half Term, as the weather gets colder, we ask that children come into school on their PE days in a tracksuit /school PE Kit as appropriate. We want the children to continue to take part in PE every week but where possible we are trying to ensure these take place outdoors in line with current government guidance, so warm clothes are beneficial to supporting this.

Virtual Harvest/ End of Term

Next Friday is the last day of half term, we will finish school at the normal staggered times.

Due to Covid restrictions we can not currently accept food donations for harvest, but we will be still celebrating harvest in school with a virtual harvest assembly.

Spooky Spoons

The PTA is running a spooky spoons competition. Each child can decorate a wooden spoon in a spooky way at home and then bring it in to school on Friday 23rd Oct There will be winners for each year group from Nursery to Year 6!

SNACK TIME

Healthy Snacks

Just a little reminder that any snacks that children bring into school should always be healthy and nutritious. Please ensure you swap out any chocolate or crisps snacks for fresh fruit, vegetables or a healthy snack bar.

Please always remember we are a **banana free** and **nut free** school. This includes foods and drinks that contain either.

Clubs and Breakfast Club

Unfortunately, unless there is a change in guidance from the Government we will not be running any after school or breakfast clubs in the next half term. Due to year group bubbles not being able to mix withing school, it is not possible to run breakfast club yet. This will continue to be monitored and reviewed regularly in the hopes we can begin these again as soon as possible.

House Teams

This week, **RED TEAM** won the house point competition—Well done!

Red—977 points
Blue—726 points
Yellow—659 points
Green—657 points
Well done everyone for earning so many house points with brilliant learning behaviours!
